

Chestnut Hill Realty

Landscape/Horticultural (Chestnut Hill, MA)

Come work for the award winning Horticulture Department at Chestnut Hill Realty that values their employees and rewards hard work! It is time to get trained and start a career.

In this full-time, year-round Landscaper position you will be respected for your work and rewarded with advancement opportunities. Chestnut Hill will provide you organized training on the equipment and in professional practices. Join a company that recognizes hard work with an annual performance review with the opportunity for increases.

Chestnut Hill Realty believes in the importance of curb appeal, and that beautiful landscaping makes a difference for their tenants. Their property landscaping has won numerous awards for displays and safety. Take pride in the work you do, and feel good that your efforts will be seen and appreciated!

You will be a valued team member for a family-owned, industry leading real estate company that has earned a great reputation for their quality and stability. They are company that invests in the future and are big supporters of the most innovative technology and green initiatives. This is a company you will be proud to work for!

As a member of the team, you can expect:

- Positive work environment.
- Above-average compensation -- starting rate is \$15+.
- Fantastic benefits package that includes: medical, dental, 401(k), paid vacation and sick time, and opportunities for overtime.
- Industry leader - innovative technology and green initiatives.
- Received national awards in landscape design and safety.

If you have a valid driver's license, a great work ethic, willingness to learn, and a love of the outdoors, you owe it to yourself to check this out!
