

Apartment Maintenance Technician (Newton, MA)

Work for an award winning company where you will create an environment where people want to live, the schedule you want to maintain a great work-life balance, and the pay and benefits you deserve. Learn new skills and make a positive impact on people's lives every day.

Chestnut Hill Realty is looking for a Senior Apartment Maintenance Technician for Hancock Estates, our new 88 unit CHR Signature luxury community located in Chestnut Hill. Picture yourself working in an up-to-date, brand new apartment community where you will have the chance to interact with residents on a regular basis. Use your skills to help them with their maintenance needs and play a crucial role in making their apartment feel like home. Your work directly impacts the quality of their experience in the community. Take pride in making their lives as comfortable, stress-free, and happy as possible.

As a Senior Maintenance Technician, you will:

- Effectively handle resident service requests and work orders, work with the onsite concierge team to provide top notch customer service
- Assess and repair issues including electrical, plumbing, A/C, HVAC, appliances, and interiors
- Prepare apartments for new residents in a timely manner
- Respond to on-call emergencies
- Promote good public relations with residents, contractors and co-workers.

Are you the right person for the job?

- The ideal Maintenance Technician will have 2+ years of maintenance experience.
- Knowledge of carpentry, electrical, plumbing, experience with high end appliances a plus
- Proficiency in customer service and interpersonal communication skills in order to effectively interact with residents, team members, and other business contacts, respond courteously to questions and requests, and stay calm when addressing and resolving customer problems.
- In property management, evenings and weekends are par for the course. The ideal candidate needs schedule flexibility to be on call.
- Must efficiently handle a changing environment and be capable of dealing with multiple people and various situations.
- Ability to work independently, a self-starter with a positive, can do attitude

Some of the benefits to you:

- Competitive compensation PLUS opportunities to earn overtime
- Excellent benefits package including: medical, dental, vision, 401(k), 2 weeks of vacation, your birthday off, PTO for volunteer hours
- We have a maintenance training center to help you add to your skill set by learning everything from basic electric to essential plumbing skills and more.
- Won't be on-call 24/7, the on-call schedule rotates
- Positive work environment
- We even have a Maintenance Appreciation Day every year to recognize your efforts and a way to say "thank you".

If you have a strong commitment to customer service, we want to hear from you.

All job offers contingent upon satisfactory background check.
